#### **ROGER WILSON OAM - ROWING VICTORIA INC**

“The voice of rowing” - Roger started his lifelong interest in rowing whilst at Brighton Grammar School.

He started his rowing at Brighton at the end of 1957 and finished in 1962 – including rowing in the school’s first two head of the river crews in 1961 and 1962.

Roger then joined Mercantile Rowing Club in 1963 and raced until 1967. His highest win was the national junior eights title at the first National Regatta at Ballarat in May 1966 in what Roger regarded as freezing conditions. No one will argue with you on that one.

Roger has been a long serving Vice-President at the Club and coached at Club crews in the seventies. However Roger is perhaps best known for his coaching at Brighton Grammar from 1964 until 1979 with the last five years as Head of the River first eight coach. His crews did very well including the first final appearance by BGS in the Head of the River in 1976 finishing third behind the two Geelong schools on the Barwon!

Roger’s fame to the sport was to come through his course commentating. He started at Yarrawonga in 1966 and is still going strong over 50 years at most major rowing regattas in Victoria.

Roger was also the ABC rowing commentator from 1973 and called all Kings Cups & Nationals on the ABC Grandstand for 43 years as well as well as being course commentator.

He went onto commentate at Olympic and World Championships, the ABC commentator on a number of occasions at each. His biggest highlight was being the main course commentator at Lake Barrington at the 1990 World Rowing Championships where the Oarsome Foursome commenced their wonderful run of successes.

He probably has one of the longest runs as course commentator at any regatta with over 40 years at the APS Head of the River. He was also the main course commentator for world masters regatta in 2012.

Amongst all the above, Roger found time to be a journalist on rowing for many years. He wrote rowing stories for The Age, then in 1984 for the broadsheet Herald & also a weekly column in the Weekly Times for many years. He also submitted the results and stories for Australian Associated Press for over 30 years.

#### **NICHOLAS BUSKENS - VICTORIAN SKATEBOARDING ASSOCIATION**

As the key committee member of the Victorian Skateboard Association from 2002 to 2020, Nick has lead our sport in partnership with YMCA, to develop a series of competition and training programs that has resulted in a truly co-ordinated national grass roots development program for our skateboarding athletes.

The Skatepark Leagues competition program, which started in Melbourne with 6 events, now comprises more than 100 events across the country, culminating in a National Final in Melbourne (during Moomba in March), which has been the inspiration and key development pathway for many of the skateboarders in our Olympic Team for the 2020 Tokyo Games.

Nick has also raised the standards for sports administration in our sport, and has now joined the board of Skate Australia to enable the NSO to assist all states in building on the national development pathway, and create State Sporting Associations and grow coaching and competition capacity nationally.

Without Nick, and his drive and determination to help others to be their best, VSA would not be the respected SSA that it is today, The SkatePark League Series would not exist, and we would not have as many competition ready athletes to choose from, for the 2020 Australian Olympic Skateboarding Team.
